### A Message from the FOCUS Desk

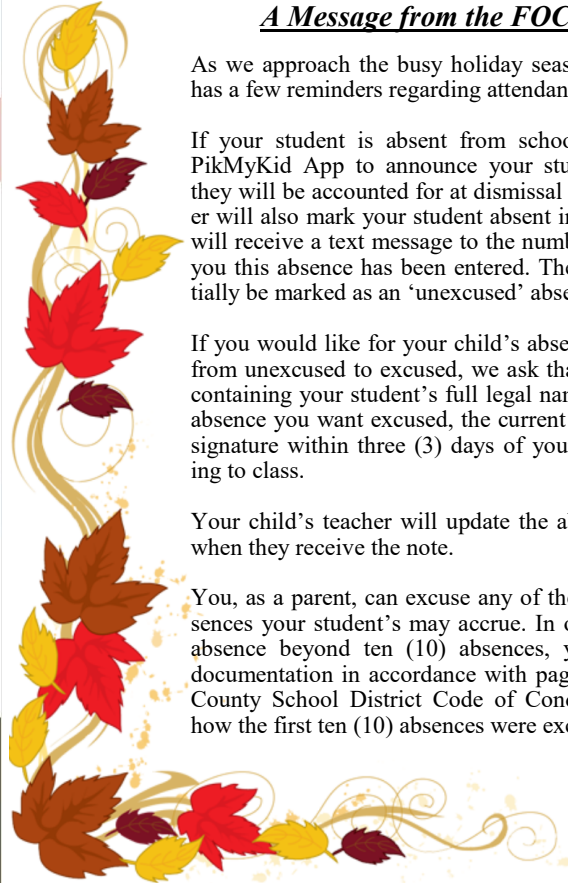

As we approach the busy holiday season, FOCUS Desk has a few reminders regarding attendance:

If your student is absent from school, please use the PikMyKid App to announce your student is absent so they will be accounted for at dismissal time. Your teacher will also mark your student absent in FOCUS and you will receive a text message to the number on file alerting you this absence has been entered. The absence will initially be marked as an 'unexcused' absence.

If you would like for your child's absence to be changed from unexcused to excused, we ask that you send a note containing your student's full legal name, the date of the absence you want excused, the current date, and a parent signature within three (3) days of your student's returning to class.

Your child's teacher will update the absence in FOCUS when they receive the note.

You, as a parent, can excuse any of the first ten (10) absences your student's may accrue. In order to excuse an absence beyond ten (10) absences, you **must** provide documentation in accordance with page 9 of the Walton County School District Code of Conduct regardless of how the first ten (10) absences were excused.

## Santa Rosa Beach, FL 5 Day Weather

8:39 pm CST Print

*Pikmykid*

Parents & Gaurdians,

Please remember to submit your transportation changes through the PikMyKid App. My staff will continue to monitor the PikMyKid dashboard throughout the day. Teachers will begin using this program for dismissal beginning, Tuesday, November 19th.

Please stay tuned for additional information as we continue toward fully implementing this program with both Primary and Intermediate Pickup Lines.
